1	Claudia	Thurs	09/06/2012	07:00	80	6:50a - A single diver walked towards about 90 hauled-out seals, flushing all but about 10 of them
2	Claudia	Fri	09/07/2012	07:00	65	6:55a - Gentleman with a camera walks down to beach to take pictures of seals; he flushes about 65 of 80 seals.
3	Claudia	Sat	09/08/2012	07:00	30	7:04a - 4 divers with spears go towards the water and flush most of the seals off the beach. Only about 5 remain after
4	JR	Mon	09/10/2012	14:30	28	2:05p - Couple on sand, woman walked to west wall and sat down, flushing 8 seals from the beach Gradually more people followed the couple down to the sand and moved west paralleling waterline at 20'. Came to within 20' of the 38 seals left on the sand: one half of them suddenly flushed in to the water.
5	Claudia	Sun	09/16/2012	07:00	8	7a - David Pierce sets up his signs, one of them falls, several seals leave beach (about 8) 8:14a - David Pierce walks up to me and says hello
6	Claudia	Sun	09/16/2012	08:30	21	8:19a - David Pierce does "clean up" on the beach (raking seaweed in to piles) and all seals on the east side (about 20) flush
7	Claudia	Sun	09/16/2012	09:15	7	8:35a - woman walks on beach with camera, gets very close to seals and flushes about half of the remaining ones After this - many people coming and going on the beach between this time and the time I left (at 10am). The last 5 or 6 seals on the beach, left on their own.
8	Claudia	Tues	09/18/2012	07:45	26	7:30a - Alex, with blower, cleaning up top, turned blower up and some seals (about 25) flushed.
9	JR	Mon	10/15/2012	17:30	2	5:30pm - Toddler runs at seals - mother runs after the toddler, 2 seals flush
10	JR	Mon	10/15/2012	17:45	2	5:45pm - 2 spear fishermen swim in, last 2 seals on the sand are flushed
11	A1	Sat	10/20/2012	14:00	10	1:58p - David Pierce puts a large "OPEN" banner on beach - about 10 seals flushed
12	A1	Sun	10/21/2012	11:00	60	Between 10a and 11a, dozens of people on beach got very close to seals and chased them in to the water, more than one person filmed touching a seal. Many seals swam near the shore, clearing wanting to return to the sand, but visitors repelled them each time the seals would try to crawl on to the beach. I have never seen anything like this. All of this is captured on video. 12:40p - half-dozen divers/snorklers entered pool, several others with spear guns later. They swam with seals.

16	A1	Tues	10/23/2012	09:00	65	8:40a - Lifeguard carried large surfboard to beach and leaned it against the wall at bottom of steps. More than half of the seals (about 65) left the beach. Surfboard remained there all day.
17	A1	Tues	10/23/2012	10:00	30	10:08a - David Pierce sets up chair and umbrella in middle of beach, flushes 30 seals.
18	A1	Weds	10/24/2012	09:00	30	8:44a - Lifeguard lowers surfboard over wall to beach below and leans it against wall, this causes about 30 seals to flush.
19	A1	Weds	10/24/2012	16:15	50	3:52p - Lifeguard rushes in with surfboard and rescues diver just outside the pool area. About 25 seals flush. 3:57p - Another approx. 25 seals flush when lifeguard and the diver he rescued return to beach.
20	A1	Sat	10/27/2012	08:00	30	7:19a - 2 divers enter water, they seem to be trying to avoid the seals, however, all but 10 seals are flushed anyway.
21	A1	Sat	10/27/2012	09:00	10	8:30a - "Dave" rakes the seaweed on the beach and near the cliff area, flushing the last 10 seals off the beach.
22	A1	Sun	10/28/2012	09:00	50	8:55a - Lifeguard talks to Dave and leans RESCUE BOARD against wall at bottom of stairs; about 50 seals are flushed.
23	A1	Mon	10/29/2012	09:00	30	8:38a - Lifeguards arrive, and shortly thereafter, the RESCUE surfboard is placed on beach in same location. Approximately 30 seals rush in to the water as a result.
24	A1	Tues	10/30/2012	09:00	20	8:47a - Lifeguard places RESCUE surfboard in usual place and about 20 seals leave beach.
25	A1	Tues	10/30/2012	15:00	4	2:05p - A man, later identified as Bob Ewing, sets up a chair in middle of beach and reads and while periodically taking photos and/or video of me. While there, he talks to 6 people on beach who look up at me, then he deliberately walks towards seals, flushing 4 of them.
26	A1	Weds	10/31/2012	08:00	25	7:00a - The same older man seen yesterday (Bob Ewing) sets up chair on beach - about 25 seals rush in to the water. He remained on the sand for one hour taking photos/video of beach and of me.
27	A1	Weds	10/31/2012	11:00	65	10:46a - Woman from unknown rescue group uses net to pick up injured pelican from beach. All remaining seals flushed.
28	A1	Weds	10/31/2012	14:00	15	1:55 Spear diver enters pool, flushing 20 seal
29	A1	Sat	11/03/2012	10:00	70	9:15a - Dave put his large "OPEN" banner on the beach. A few seals leave. 9:45a - 2 divers enter pool - the rest of the seals on beach rush in to the water.
30	JR	Weds	11/21/2012	08:27	20	8:27am - Lifeguard Gonzalez balances Rescue Board on his head at mid-landing and carefully lowers it quietly, nose down, and still 20 seals flush (video)

31	A1	Sat	11/24/2012	07:00	2	7:30a - David Pierce arrives and sets up table. He places more signs out and rearranges the others which were already there. Andrea arranges them back & Pierce screams at her. They argue, and Pierce screams at the seals on the beach and 2 seals are flushed (VIDEO).
32	A1	Sat	11/24/2012	09:00	6	No notes
33	JR & A2	Sat	11/24/2012	19:30	20	Upon initial arrival at 19:30, I observed one man and one woman shining their lights at the seals, waving their arms and yelling at the seals to leave the beach. The seals (which I estimate to be 18 - 24) hurried in to the water. When the people observed me setting up my observation post, they departed and the seals slowly returned to the beach, as noted above.
34	GMN	Sun	11/25/2012	08:30	9	As noted in the brief video - as a diver swam in from outside the cove and a man photographed on the beach, there was a flush, concurrent with several seals remaining off-shore.
35	GMN	Sun	11/25/2012	10:00	4	A second diver coming on-shore caused a second lesser flush. Both divers exited along the seawall.

117	Nancy	Weds	11/19/2014	12:30	10	Saw 2 mini flushes - one guy with a young squealing child on the sea wall caused 4 seals to flush off the rocks next to the sea wall, which put the seals on the beach on high alert. 6 more seals on beach flushed for no known reason.
118	Meg	Thurs	11/27/2014	09:00	5	About 5 flushed I think just because number of people who went to the beach- everyone kept a respectable distance
119	RG	Fri	12/05/2014	09:30	32	9:30am - 2 spear fishermen entered beach east side could tell one of them was a newbie brand new equipment and fiddling. Around 7-9 seals went in water. When the next spearfishmen went in total of 24 seals flushed.
120	Tamara	Sun	12/07/2014	08:15	30	8:15a - Jogger crossed rope and flushed all seals running across beach
